Since 1941, children and teens have been spending their summers at YMCA Camp MacLean to learn new skills, build lasting friendships, and to have the summer of their lives in a safe and caring environment. We are committed to providing campers with a small group living experience, increasing self-esteem, teaching life skills through activities, and ensuring every camper has a fun-filled summer! Nothing impacts kids and teens quite like the overnight summer camp experience!

Summer Camp is for campers ages 7-16 years old. Traditional camp programming is provided for youth and teen campers in our Explorer and Pioneer programs. Specialty camp programs are available with an emphasis on aquatics, high adventure and rock climbing.
