Y GUIDES AND Y PRINCESSES PROGRAM

Building Strong Kids, Strong Families, Strong Communities

The Y has long been a place where families come together. Our Y Guides and Y Princesses program allows dads and their children (grades K-5) to develop strong bonds that support self-esteem and communication—setting the foundation for positive, lifelong relationships. Participants gain a sense of belonging and learn the importance of giving back to the community through activities with other families and service projects.

“The greatest gift a father can give his child is his time.”

GROUPS
The Federation consists of several different groups of dads and their kids. Groups are made up of families who attend the same school, or you may instead choose to join a group based on which your friends are a part of. Group options will be presented to you after registration.

EVENTS
Attend as many events as you'd like, based on what works for your schedule.
Events include campouts, dinner and entertainment, Christmas tree sales, pinewood derby race, soapbox derby race, bowling, museum sleepovers and more!

GET INVOLVED
There is a family-friendly registration fee for each participating child, and events are provided at a minimal fee to cover costs.
