

Instruction

Parent/Teacher Conferences

Parents or guardians of all children Pre-K through 8 shall be scheduled for a parent/teacher conference at least once each year, during which time information shall be provided by the teacher concerning the student's academic and social progress in school. When necessary special teachers shall be involved either in this conference or in a separate type of contact.

Parents or guardians shall be notified immediately when there is a significant development or problem with the academic or social progress of their child.

Excessive absences or tardiness shall also be cause for immediate contact of parents or guardians.
