JULY 19, 20, 21, 26, 27, AND 28  9:00-1:00 

AT HADLEY JUNIOR HIGH

Campers will propose and develop a plan meant to address the colony collapse of the honeybee. District 41 staff will lead campers through a variety of teambuilding activities, nature explorations, and outdoor experiences. Projects as part of the PBL will require the campers to get outside and explore the many contributions honeybees make to our environment, our agriculture, and our outdoor aesthetic. Participants will take a field experience requiring transportation (provided).

Registration and payment are due to your child's school office by MAY 2, 2016. If you have any questions, contact any of the PBL coaches: Hillary Shumate (hshumate@d41.org), Christina Kellam (ckellam@d41.org), Sarah Rodriguez (srodriguez@d41.org), or Kayla Wheeler (kwheeler@d41.org).
