For Youth in 6th to 12th grades

UNIVERSITY OF ILLINOIS
EXTENSION

Extending Knowledge Changing Lives

Do you love
science?

Are you looking for
leadership & volunteer
opportunities?

Would you like to
share that passion
with others?

If so, 4-H Science Ambassadors is for you.

4-H Science Ambassadors have the opportunity to:

- ✓ Enhance science skills with 4-H through special training sessions and events
- ✓ Volunteer to teach other STEM programs to younger youth & gain service credit
- ✓ Improve leadership abilities
- ✓ Develop presentation skills
- ✓ Promote 4-H Youth Development to the community
- ✓ Make new friends and have fun!

This year's 4-H National Youth Science Activity is Drone Discovery

Learn to help youth explore the engineering design and flight principles of drones. The activities demonstrate how drones and remote sensing can be used to solve real-world problems.

Join us at our next training to learn more:

Saturday, Nov. 5, 1-3 p.m.

Addison Public Library

4 Friendship Plaza, Addison, IL 60101

DRONE
DISCOVERY

\$10 materials fee for the Sept. 14 event, which includes a keychain camera.

If chose to join the 4-H Science Ambassadors Club, there also is a \$20 annual program fee for each youth.

For details or to register beginning Sept. 30, visit web.extension.illinois.edu/dkk/4hscience or contact Patty Luster at 630-955-1123 x18 or pluster@illinois.edu.

If you need a reasonable accommodation to participate, please notify at least two weeks prior to the event.
