

# New!

## Garage Band Basics Ages: 11-14 (grades 6-8)

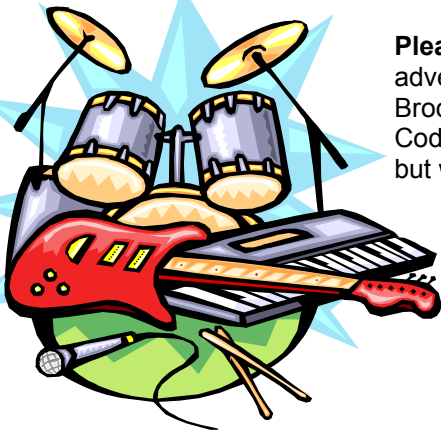

Are you looking to learn a little more about how to get your own garage band off the ground? Our guitar instructor is here to teach you the basics and get you started. Learn to play an acoustic guitar or electric guitar in this new class designed specifically for the middle school age student interested in playing music and starting their own band! Class will include instruction on vocals (harmonies, arrangements, lead, etc.). Participants will need to bring their own acoustic or electric guitar to class. Completion of a previous beginning guitar class encouraged, but not required. (JR)

## Beginning Guitar Ages: 8-14

Designed for those who are just starting out, this class will give the student a fundamental understanding of how to play guitar. You will learn basic chords and techniques in order to play songs and make learning an easy and enjoyable experience. No prior knowledge of music or the instrument is required. Participants will need to bring their own acoustic guitar and guitar "pick" to class. (JR)
