

Glen Ellyn District 41 Library Learning Center Vision and Mission

Vision

The focus of the District 41 Library Learning Center program is to create a foundation for lifelong learning in a respectful and supportive environment.

Mission

The mission of the District 41 Library Learning Center (LLC) program is to facilitate opportunities that integrate information literacy skills into learning activities, while fostering a love of reading. The LLC program will serve the learning community by supporting district and building curriculum and goals in a culture of continuous improvement.
