- We expect honesty, integrity and ethical behavior of all members of our learning community.
- We empower every child to become a self-directed lifelong learner capable of creative and critical thinking.
- We emphasize written and oral skills which are essential to success, timeless in their importance and are the basis of future learning.
- We encourage flexibility and adaptability knowing they are necessary to succeed in a global and diverse society.
- We leverage our resources and technology to create powerful and equitable educational environments and experiences for all learners.
