

Heart's and Sole's for Haiti

Help Haiti, Kids CAN make a difference!

Haiti needs your help! The people of Haiti suffered from a mass earthquake that destroyed buildings and people are in need of food, water, medicine, clothing, shoes, and money. Please help the students at Abraham Lincoln Elementary School donate money and shoes.

“Give from the heart and sole! “

We are asking each student to donate at least 1 pair of gently used shoes (adult and children's shoes of any kind) and \$1.00.

If you are able to give more, please do.

- We are collecting new and or gently used shoes of all shapes and sizes. www.shareyoursoles.org
- We are asking each student to give from the heart and donate money to the people of Haiti

Please make all checks payable to the Red Cross.

Show that kids can make a difference! Help us donate shoes and money to the people of Haiti in this great time of need. It's our job as students to show the world we care.

As Gandhi once said **“Be the change you wish to see in the world”**

Place money donations in your classroom canister. Bring all gently used shoes tied to their matching shoe, to your classroom and place in the “sole bag”.

The drive starts to help Haiti on **February 8th and ends February 12th**. In addition during our valentine day parties we will be writing thank you hearts to the relief workers in Haiti who need our encouragement and thanks. Thank you for any donations you make to Haiti. They will greatly appreciate what we are doing for them.

Sincerely,

The Abraham Lincoln Student Ambassadors
