

## **Professional Personnel**

### **Teacher Qualifications**

A teacher, as the term is used in this policy, refers to a District employee who is required to be certified under State law. The following qualifications apply:

1. Each newly employed teacher must:
  - a. Have a valid Illinois certificate that legally qualifies the teacher for the duties for which the teacher is employed.
  - b. Provide the District Office with proof of certification or entitlement by the end of the first week of school.
  - c. Provide the District Office with a complete transcript of credits earned in institutions of higher education.
2. The following teachers must be “highly qualified” as defined by State and federal law: (a) newly hired teachers who will work in a program supported with Title I funds, and (b) by the end of the 2005-2006 school year, all teachers of core academic subjects. Teachers are generally considered to be highly qualified if they: (a) have a bachelor’s degree; (b) have full State certification according to criteria adopted by ISBE; and (c) have demonstrated subject-matter competence in the area(s) taught according to criteria adopted by ISBE. “Core academic subjects” means English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, arts, history, and geography.

The Superintendent or designee shall:

1. Develop and implement a plan to ensure that all teachers who teach core academic subjects are “highly qualified,” as defined in this policy, not later than the end of the 2005-2006 school year;
2. Explore creative and effective ways to ensure that minority students and students from lower income families shall not be taught with greater frequency than other students by unqualified or inexperienced teachers.
3. Ensure parents/guardians of students in schools receiving Title I money are notified: (a) of their right to request their students’ classroom teachers’ professional qualifications, and (b) whenever their child is assigned to, or has been taught for 4 or more consecutive weeks by, a teacher who is not highly qualified.
