

Students

Administrative Procedure - Assignment

1. The District retains the absolute right for assignment of all students.
2. The parent(s)/guardian(s), teacher, student (when appropriate), and the Building Principal shall meet to consider appropriate placement at grade level.
3. Criteria to be used for placement may include, but not be limited to the following:
 - A. District administered achievement tests.
 - B. Results of District criteria referenced tests.
 - C. Records from previous school enrollment.
