

Dear Lincoln School Parents,

The PTA Executive Committee would like to thank all the parents and teachers who so generously gave of their time and talent to the PTA events and activities this year. The success of the events and activities that were provided for our children this past year was the direct result of your time and dedication. Many thanks to you all!

As most of you already know, the PTA is an organization of parents and teachers whose mission is to serve as an advocate for our children. We fulfill this mission by providing quality enrichment programs and activities, a forum for parents to become involved in their child's school as well as promoting open and meaningful communications between teachers and parents. We at Lincoln School are extremely fortunate to have a very exciting and active PTA. Most of the families and all of our teachers are PTA members.

Your children will be receiving a PTA packet in their backpacks on the first day of school in August. In this packet you will find information regarding membership and volunteering opportunities. In addition, at the annual *Meet and Greet Day*, the day before school starts in August, you will have the opportunity to find out more about the many committees that plan, manage and accomplish the activities that result in the many fun, interesting and educational activities that benefit all of the children of Lincoln School. The PTA is a completely voluntary organization and we appreciate any amount of time or talent that you, as a Lincoln School parent, are willing to share.

The PTA encourages all families to take the time to get to know the school and the committees and activities of the PTA. The PTA Executive Committee and members meet regularly throughout the year and welcome all Lincoln school parents to come and join us.

Please contact me if you have any questions, thoughts or concerns about our Lincoln School PTA. With your help during the coming school year we will continue to provide interesting and rewarding activities and programs for your child. I look forward to seeing many of you at the Spring Open House on April 30th.

Sincerely,

Michen Andreasik PTA President
