

Strategic Priority 1 - Progress Report June 2019

We will create a positive and nurturing environment which is foundational to student success. We will enhance and support a culture of academic excellence while working to close the achievement gap.

Strategic Priority 1 Indicator of Success: Prepare our students for the rigor of high school and for an increasingly global society. Establish and measure Key Performance Indicators (KPI) for academics, social/emotional learning and closing the achievement gap. Champion active collaboration among staff.
