Once you have created an account, you will need to add your student. You will need your student ID number, which can be found in Skyward Family Access. Enter your student's full last name and choose the school they attend.

The screenshot shows the 'MyMealOrder' website with the 'Students in Account' tab selected. An 'Add Student' modal is open, featuring three input fields: 'Student ID', 'Last Name', and a 'School' dropdown menu currently set to 'Churchill Elementary'. A green 'Add Student' button is at the bottom of the modal. The background shows a blurred view of the account page with a list of students and a sidebar with navigation options like 'Meals', 'My Account', 'My Orders', and 'Documents'.

After you add your student, you will see meal options for a week. Each column includes the meal options for that day. The yellow squares are for breakfast. If your student qualifies for free lunch, they may also receive a free breakfast.

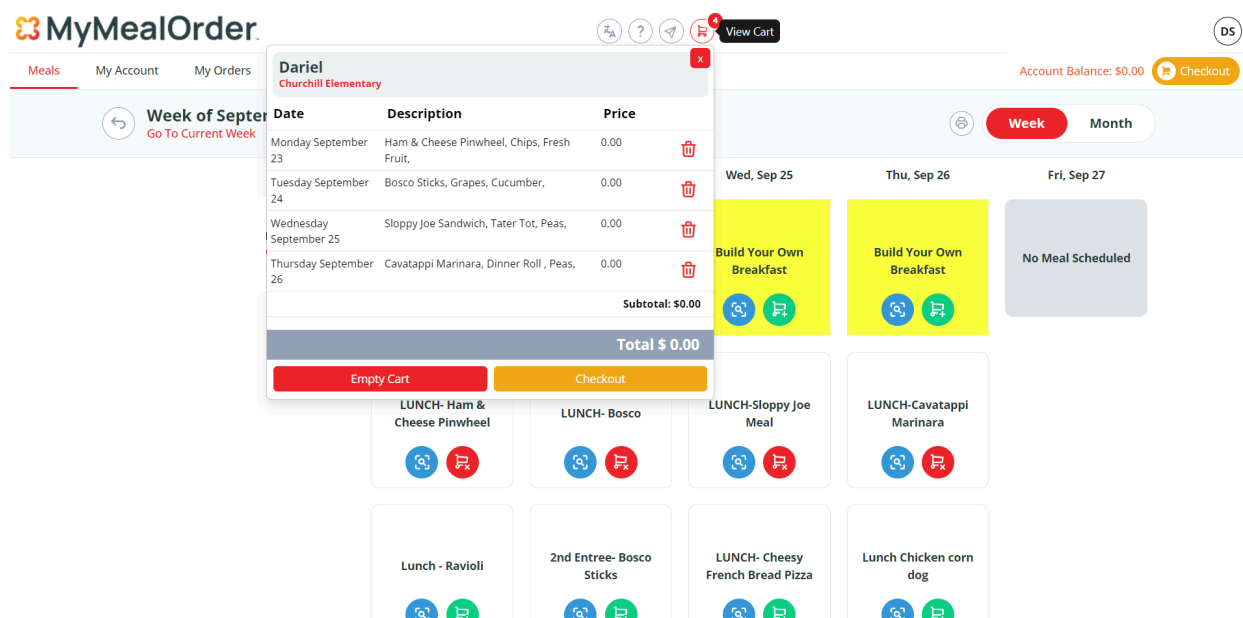

The screenshot displays the meal schedule interface for the week of September 23, 2024. The header includes the 'MyMealOrder' logo, navigation tabs, and a 'Week of September 23, 2024' selector with a 'Go To Current Week' link. A 'Week' button is highlighted. The schedule is organized by day: Monday (Sep 23), Tuesday (Sep 24), Wednesday (Sep 25), Thursday (Sep 26), and Friday (Sep 27). Each day's column shows meal options in a grid. Breakfast options (yellow squares) are 'Build Your Own Breakfast' for Mon-Thu. Lunch options (white squares) include 'LUNCH- Ham & Cheese Pinwheel', 'LUNCH- Bosco', 'LUNCH-Sloppy Joe Meal', 'LUNCH-Cavatappi Marinara', 'Lunch - Ravioli', '2nd Entree- Bosco Sticks', 'LUNCH- Cheesy French Bread Pizza', and 'Lunch Chicken corn dog'. Friday shows 'No Meal Scheduled'. Each meal option includes a blue circular icon with a fork and knife and a green circular icon with a shopping cart.

Every day there are three lunch options: two hot lunch options and a sunflower butter sandwich. Choose one per day. To add a meal to your cart, click the green button. Each lunch comes with a drink. A la carte drinks will have an additional charge.

Be sure to AVOID ordering meals that say Second Entree. **This is considered an additional meal and you will be charged for this meal even if you qualify for the free lunch.** Order the second main course only if you wish to order a second lunch for that day.

Once you've selected your meals for the week, click the cart symbol at the top of the page to see all the meals in your cart. Click Verify to continue to the next page.

To complete your order, click Place Order. **Your order will not be complete until you click Place Order.** If you pay for lunch, the charges will be debited from your Pushcoin account.
