

The Glen Ellyn School District 41 Board of Education voted to proceed with a referendum seeking voter approval to solve the District's significant space issues. This consensus \$49 million plan would build a new K-5 Elementary School on our Spalding property and a new Early Learning Preschool Center addition to our Churchill School.

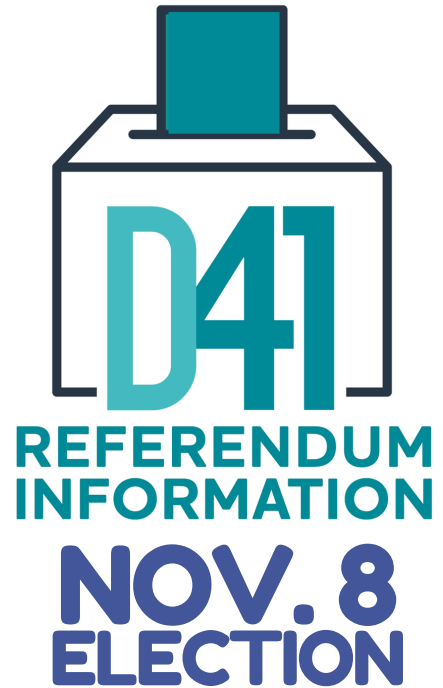

IF SUCCESSFUL...

THE REFERENDUM WILL ALLOW DISTRICT 41 TO:

Keep Class Sizes Small in Our Neighborhood Schools

Offer Full-Day Kindergarten At Your Home School

Continue Building Innovative Opportunities for Kids

- Estimated Cost to Taxpayers: \$49 million
 - D41 Contribution from Existing Reserves: \$18 million
 - Total Project Cost Estimate: \$67 million
- Est. Tax impact is \$276/year (based on a \$400,000 home)

Thank You

To all stakeholders for engaging in a community-driven process to create a plan to solve the significant space issues in our school district.
