School's OUT! Camps are IN!

**No school?
No Problem!**

Children in
grades 1-5
can have fun
learning
with **DCM**.

KIDS DESIGN ENGINEERING

Design, build, and test like an engineer! Pneumatic (air) power and engineering principles are explored in this innovative camp that challenges children to create their own project to meet the engineering challenge: travel a distance using the power of air stored in a balloon.

EVERYDAY CHEMISTRY

Cooking and baking are chemistry for hungry people. While we won't be baking, we will be "cooking up" some cool experiments that use everyday household products.

DECEMBER 28 – 29 | 9:00 a.m. – 1:00 p.m.

FEE: \$110 members | \$125 nonmembers

Join DCM for an Intergalactic Adventure!

Spend quality family time together on an intergalactic adventure full of moon sand, slime, rockets, jet packs, live music by the BOOGERS, a countdown to noon, and more!

FEE: \$20 Members PER PERSON | \$25 Nonmembers PER PERSON
