EARN VOUCHERS

for families in need in District 41.
Social workers receive and distribute
vouchers.
Families in need shop for FREE at
Family Tree

A little about Family Tree Resale...

Family Tree Resale is an independent community resource store owned by a local parent! We offer FREE voucher programs to all local schools and charitable organizations. In our first two years, we have given back over \$30,000 in free clothing and funds to the local community.

Our store is 10,000 sq. ft. of highly organized, quality and clean gently used items. We feature clothing for the entire family, household items of all sorts, electronics, books, toys, furniture and much more. We also feature a brand-new closeout jewelry department and incredible international fabrics and clothes.

We are happy to be building a strong community with D41 families!
