

Facilities & Programming

Glen Ellyn School District 41
Community Facility Task Force Presentation
October 1, 2015

Forest Glen Elementary School

Located on Elm Street (Across the street)

PreK-Grade 5

Approximately 600 students

All PreK/Early childhood Programs

Foreign Language taught daily grades 1, 2, and 3

New classroom addition opened in August of 2015

Forest Glen Elementary School Deficiencies

- No room for growth
- Multi-purpose Room is our Lunchroom.
- Crowded hallways during transition times
- Inadequate bathrooms
- Limited Parking

Churchill Elementary School

Located on Geneva Road

K-Grade 5 - Title 1 School

Approximately 620 students

Spanish Dual Language Program (K-2)

Bilingual Program (grade 3)

Foreign Language taught daily grades 1, 2, and 3

New classroom addition opened in August of 2015

Portable classrooms on site

Churchill Elementary School Deficiencies

At capacity right now - no room for additional growth

No teacher workspace

No staff eating space

No formal meeting/flexible space

Core spaces are used to full extent now

Crowded hallways during transition times

Traffic congestion at arrival/dismissal

Lack of safe and secure entryway

Lincoln Elementary School

Located on Greenfield Avenue

K-Grade 5

Approximately 540 students

Foreign Language taught daily grades 1, 2, and 3

New classroom addition opened in January of 2015

2005 NCLB Blue Ribbon Award Winning School

Lincoln Elementary School Deficiencies

No room to grow - $\frac{2}{3}$ and $\frac{1}{2}$ size rooms will not hold class size targets.

Lunchroom/Gym - setup and cleanup of gym impacts scheduling of PE.

Student safety in and outside of building due to congestion.

Franklin Elementary School

Located on Bryant Avenue

K-Grade 5

Approximately 560 students

3 Self-contained Special Education Classes

Foreign Language taught daily grades 1, 2, and 3

New classroom addition opened in January of 2015

One of the oldest schools in DuPage County....1929

Franklin Elementary School Deficiencies

- Lack of small instructional spaces
- Some classrooms very small
- No dedicated teacher workroom/lunchroom

Hadley Junior School

Located on Hawthorne Boulevard

Grades 6-8

Approximately 1170 students

Self-contained Special Education Classes

New Library Media Center opened in 2014

Operates on a Middle School MModel with Teaming

Only Junior High School in D41

Hadley Junior High School Deficiencies

Student in Portables

Lack of Adequate Storage

Inadequate Musical space/instruction

Cafeteria/student and staff eating area

Insufficient STEAM labs

Hadley Photos

Dual Language Program at Churchill

Rule of 20

Dual is the optimal form of delivery for bilingual services

School	Total enrollment	Total Hispanic	Total Hispanic/ELL
AL	547	38	7
BF	544	53	26
CH	626	177	116
FG	479	55	17
HA	1179	141	24

Dual Language Implications

Year	Kindergarten	1st grade	2nd grade	3rd grade	4th grade (16/17)	5th grade (17/18)
2015-16	Dual 23/22*	Dual 24/23	Dual 17/20	Bilingual 21		
2014-15	Dual 24/21*	Dual 19/19	Bilingual 21	Bilingual 12		
2013-14	Dual 22/20*	Bilingual 19	Bilingual 17	Bilingual 17		
2012-13	Bilingual 24*	Bilingual 20	Bilingual 19	Bil 3-4 8		
2011-12	Bilingual 23	Bilingual 19	Bilingual 11	Bilingual 13	Bilingual 12	

* Full-time aide in the classroom due to bilingual rules

2015-16-7 students from other buildings -4 native English & 3 native Spanish in AM/9 students 5 native English and 4 native Spanish in PM

2014-15-7 students from other buildings -3 native English & 4 native Spanish in AM/7 students 5 native English and 2 native Spanish in PM

2013-14-8 students from other buildings-3 native English & 5 native Spanish in AM/6 students 4 native English and 2 native Spanish in PM

Additional Considerations

FLES (no additional classroom space is needed)

Full day Kindergarten (size of room/bathrooms/
lunchroom space)

5 classrooms for EC and PreK (currently housed
at FG)

Band/orchestra spaces

Sections/bubbles

Future Programming Needs

- Flexible Spaces (large and small group gathering areas)
- Collaboration Spaces
- Offices and small group spaces for required services
- STEAM or Innovation Labs (Makers Space)
- Transforming libraries to Digital Media Centers (hub/heart of the school)
- Additional special education self-contained classrooms (2 at the elementary level; 1 at Hadley)
