

Spring 2018

# S.T.E.M. Educational Opportunities

with University of Illinois Extension  
and 4-H Youth Development

## SCI FI - SPRING BREAK WORKSHOPS:

Join us for six S.T.E.M.-based, interactive workshops this Spring Break. Designed for youth ages 8 to 12, topics include: 3-D printing, mathematics, food science, fairy gardens, robotics and engineering! Registration open now. Workshops hosted in Naperville office. [Learn more](http://go.illinois.edu/spring4Hdkk) at [go.illinois.edu/spring4Hdkk](http://go.illinois.edu/spring4Hdkk)

## COMMUNITY SCIENCE FAIR for DuPage, Kane, Kendall & Surrounding Counties:

Want to put your idea to the test? Want to be part of a Science Fair? Youth in 4th to 12th grades can join our community-wide event this April. A Science Fair experience provides youth with the opportunity to learn the Scientific Method through hands-on application, and promotes organization, communication and public speaking skills. Registration open now. [Learn more](http://go.illinois.edu/science4Hdkk) at [go.illinois.edu/science4Hdkk](http://go.illinois.edu/science4Hdkk)

## How to START A BUSINESS 4-H SPIN Club for Teens:

This new 6-week hands-on experience from 4-H and Microsoft will be packed with real-life tools that can help develop ideas and launch a business. The special interest club aims to generate excitement, offer support, and foster collaboration. Ages 13-18. Registration now open and it starts April 4. [Learn more](http://go.illinois.edu/businessSPIN4Hdkk) at [go.illinois.edu/businessSPIN4Hdkk](http://go.illinois.edu/businessSPIN4Hdkk)

## Camp Shaw SCIENCE & TECHNOLOGY Summer Camp:

Calling all techies! This week will be filled with STEM challenges, with our traditional Camp Shaw "campivities" sprinkled in. Special activities include Junk Drawer Construction, Biodiversity, and Get Off the Grid and Energize. Sign up for all tech activities or a mix of tech and regular camp activities! Registration open now for June 24-28, 2018. [Learn more](http://go.illinois.edu/science4Hdkk) at [go.illinois.edu/science4Hdkk](http://go.illinois.edu/science4Hdkk)

*Space may be limited. For details on dates, times, locations, costs and deadlines click the "learn more" link for that program. If a reasonable accommodation is needed, contact your local Extension office at least two weeks prior to the program start date.*
