K to 10 Programming

Explorer Camps (Grades K to 5)

Join one of our Explorer Camps for an unforgettable summer of fun! Themes change weekly and include art projects, physical activities, educational components taught by endorsed teachers and thematic field trips on most Fridays. Daily and weekly rates are available.

Monday to Friday, June 3 to Aug. 2

8:30 a.m. to 4:30 p.m.

Optional before and after supervision (7 a.m. to 6 p.m.) is included.

Glen Ellyn campus

STEAM Ventures (Grades 1 to 5)

Morning STEAM Ventures camps offer classroom fun and hands-on activities designed to increase learning and interest in science, technology, engineering, art and math. Each week features a different theme.

Monday to Friday, June 10 to Aug. 2

8:30 to 11:20 a.m.

Participants may enroll in supervision (7:30 a.m. to 12:30 p.m.) for an extra fee.

Naperville Center and Westmont Center

Teen X-Treme (Grades 7 to 10)

Teen X-Treme camps offer older students an all-day experience featuring some of the hottest topics in town! Students will print a 3D object, design a video game, prepare a culinary creation or create a work of art. Each week provides a different and unique learning experience.

Monday to Thursday, June 3 to Aug. 1

9 a.m. to 2:50 p.m.

Optional before and after supervision (7 a.m. to 6 p.m.) is included.

Glen Ellyn campus and Naperville Center

Counselor Training Program (Grades 7 to 10)

This camp provides an opportunity to build leadership skills and is designed especially for those who may be interested in careers that involve interacting with youth. While under the supervision of a camp aide, counselors-in-training plan and lead age-appropriate extension activities for summer Explorer day campers.

Monday to Thursday, June 10 to Aug. 1 (two-week intervals)

9 a.m. to 5 p.m.

Optional before and after supervision (7 a.m. to 6 p.m.) is included.

Glen Ellyn campus

Academic Enrichment Programming (Grades 3 to 8)

Participants interested in discovery will set themselves on a path of their choosing as they select from the many Enrichment, Academic and Elementary Excellence programs. There is something for every interest, including speech, creative writing, chess, archery, culinary arts and game design.

Monday to Friday, June 3 to Aug. 2

Times vary by class.

Participants may enroll in supervision (7 a.m. to 6 p.m.) for an extra fee.

June 10 through Aug. 1, 2024

High School Programming

Junior High Achievers

Incoming 7th and 8th grade

This high school preview experience features curriculum modeled after high school classes. Although these classes are not offered for credit, students who take them may gain an academic advantage. **Topics include** algebra, geometry, Spanish and essay writing. **Courses offered at the Glen Ellyn Campus.**

High School Credit, Advancement and Credit Recovery Courses

Incoming freshmen and current high school students

The summer program is an extension of a regular academic program, designed to provide students with opportunities to gain academic credit or to get ahead. Courses are accelerated, and one day in the summer program is equal to one week in the regular school year. Each semester course is a total of 60 contact hours. **Topics include** algebra, geometry, biology, U.S. History, Spanish and more. New for 2024 is French and American Sign Language. **Courses are offered at the Glen Ellyn campus.**

Career Academy Camps

Incoming freshmen and current high school students

Discover a college major and career possibilities with these inspiring enrichment courses. Gain a deeper perspective on a career and explore academic programs and interests to help identify the path you want to follow. **Topics include** pastry chef, IT administration, cybersecurity, welding, social media marketing, graphic design, theater and creative writing. **Courses offered at the Glen Ellyn campus.**

High School and College Success Series

Incoming high school freshmen through incoming college freshmen

Gain a higher level of academic success and learn how to manage the workload and expectations of high school and college coursework. **Topics include** time management, writing, test-taking and Common App workshops. **Courses offered at the Glen Ellyn campus, Naperville Center and Westmont Center.**

Test Prep and Private Tutoring

Reach your highest potential with test prep and private tutoring options. Private tutoring is available for most high school level courses and ACT/SAT test prep. We recommend registering for a ACT or SAT group test prep session before requesting private tutoring. Group test prep courses focus on test-taking strategies. **Now offered at the Glen Ellyn campus, Naperville Center, Westmont Center and online.**
