Dear Parent(s)/Guardian(s):

As allergies, asthma, immune challenges, and/or other health needs may make animal contact inappropriate for some students, District guidelines require prior parent/guardian permission for student contact with animal(s) in school.

On       (insert date)      , the following animal(s) will visit my classroom for educational purposes:

- |                              |                                 |                                  |                                               |

| <input type="checkbox"/> Rat | <input type="checkbox"/> Mouse  | <input type="checkbox"/> Gerbil  | <input type="checkbox"/> Other _____          |

The following animals are prohibited in schools: venomous or toxin-producing animals (e.g., certain spiders, insects, reptiles, and amphibians), wild or exotic animals, mammals at high-risk for transmitting rabies (e.g., bats, raccoons, skunks, foxes, and coyotes), non-human primates, stray animals, or aggressive/unpredictable animals.

The Building Principal or designee will ensure that the District's *Guidelines for Using Animals in School Facilities* are followed. You may find these *Guidelines* in the school office. I will also supervise the entire student-animal contact session, have a clean and disinfected area for showing the animal(s), not allow food or drink in the animal showing area, and appropriately dispose of animal waste. **Under no circumstances are students allowed to clean cages or handle animal waste.**

Please complete and return this form to me by       (insert date)      . If you have any questions or concerns, please feel free to contact me at       (insert contact information)      .

**To Be Completed by Parent/Guardian:**

- I **do** permit my child identified above to be exposed to the animal(s) listed above. I further agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of my child's exposure to the animal(s) listed above.
