

## **Instruction**

### **Instructional Arrangements**

#### Assignment of Students to Classrooms

Assigning students to classrooms is the responsibility of each Building Principal, with input provided by the respective staff. The aim of class assignment is to place each student in an appropriate and comfortable learning situation.

#### Class Size

The Superintendent shall work closely with Building Principals in establishing a reasonable teacher student ratio in each building.

#### Team Teaching

Teachers may team teach upon approval of the building principal.

#### Individualized Instruction

Provision for individual differences shall be given high priority in planning the instructional program, in choosing teaching methods and materials, and in evaluating results.
