Administrative Procedure - Student Discipline Guidelines

The intent of these guidelines is to enhance school climate, improve school discipline practices, and ensure that students are disciplined without discrimination on the basis of race, color, national origin, gender, disability, or other protected status. Data collected from IL school districts on student discipline is available at www.isbe.net/research/htmls/eoy_report.htm.

Recordkeeping

1. Develop and implement a District-wide uniform discipline referral form that documents each of the following:
 - a. Student name
 - b. Identity of staff member making referral
 - c. Date and time of incident
 - d. Location of incident
 - e. Description of incident
 - f. Description of interventions attempted prior to incident
 - g. Description of the incident's effect on other students and/or the learning environment
 - h. Parent/guardian contact made (when, how, and by whom)
2. Maintain each of the following data related to student discipline referrals:
 - a. Race of the student referred for discipline
 - b. Gender of the student referred for discipline
 - c. Disability status of the student referred for discipline
 - d. Basis for the referral
 - e. Identity of the staff member making referral
 - f. Race of the staff member making referral
 - g. Gender of the staff member making referral
 - h. Basis for imposing or not imposing discipline

 - k. Basis for making the referral to the SRO or law enforcement (if applicable)
 - l. Whether there were any criminal charges filed as a result of the student's misconduct
 - m. If the student received an exclusionary consequence (out-of-school suspension or expulsion) for his/her misconduct, whether the student was offered any academic or behavior support services and, if so, which support services

Periodic Review and Self-Monitoring

Review the following on a periodic basis and at least annually:

1. Discipline-related District policies and procedures
 - a. Such policies may include:
 - 7:20, Harassment of Students Prohibited*
 - 7:70, Attendance and Truancy*
 - 7:130, Student Rights and Responsibilities*

- 7:140, *Search and Seizure*

- 7:170, *Vandalism*
- 7:180, *Prevention and Response to Bullying, Intimidation, and Harassment*
- 7:185, *Teen Dating Violence Prohibited*
- 7:190, *Student Behavior (formerly known as Student Discipline)*
- 7:200, *Suspension Procedures*
- 7:210, *Expulsion Procedures*

b. This review should:

- 1) Include input from all members of the school community (administrators, staff, students, parents/guardians, volunteers and community members). Such input may be obtained through school climate surveys, school forums, and the District's parent-teacher advisory committee (established per 105 ILCS 5/10-20.14) and the behavior interventions committee for students with disabilities (established per 105 ILCS 5/14-8.05).
- 2) Ensure policies and procedures (e.g., an individual school's conduct code) have clear definitions of prohibited student conduct, especially those entailing the subjective exercise of discretion.
- 3) Attempt to incorporate alternative disciplinary measures into Board policies and procedures.
- 4) Implement a system of Positive Behavioral Interventions and Support (PBIS) or, if PBIS has been implemented, analyze and monitor its effectiveness and ways to improve it.

2. Discipline data

a. Data review should analyze each of the following:

- 1) Number of referrals by teacher/staff member.
- 2) Race/gender/disability status of referred students by teacher/staff member.
- 3) Overall percentage of student disciplinary referrals by race, gender, and disability status versus the overall percentage of said student groups in the school and District.
- 4) Overall percentage of student disciplinary referrals for a specific offense (i.e. tardy, dress code violation) by race, gender, and disability status versus the overall percentage of said student groups in the school and District.
- 5) Overall percentage of student disciplinary referrals resulting in an exclusionary consequence by race, gender, and disability status versus the overall percentage of said student groups in the school and District.
- 6) Overall percentage of student disciplinary referrals resulting in a referral to law enforcement by race, gender, and disability status versus the overall percentage of said student groups in the school and District.
- 7) Comparison of discipline imposed for the same or similar offense for students of different races, gender, and disability statuses.

- b. Compare the District's student discipline data with the data from other school districts. As required by 105 ILCS 5/2-3.162, by Oct. 31 annually, ISBE prepares a report on student discipline from data collected from all Ill. school districts. The report includes data on the issuance of out-of-school suspensions, expulsions, and removals to alternative settings in lieu of another disciplinary action, disaggregated by race and ethnicity, gender, age, grade level, whether a student is an English learner, incident type, and discipline duration. It is available at www.isbe.net/research/htmls/eoy_report.htm. According to section 2-3.162:
 - 1) Beginning with the 2017-2018 school year, school districts that are identified in the top 20% of any of the metrics for 3 consecutive years must submit a plan identifying its strategies to reduce the use of exclusionary disciplinary practices or racial disproportionality or both, if applicable.
 - 2) The plan must be approved by the school board and posted on the district's website. Within one year after being identified, the school district must submit to ISBE and post on the district's website a progress report describing the plan's implementation and the results achieved.
- c. If there are any *red flags* resulting from the data analysis, the discipline committee should meet to determine if there are comparably effective alternative practices or policies that would meet the school's stated educational goal with less of a burden or adverse impact on the disproportionately affected group.

Training

1. Annually train all District staff on each of the following:
 - a. The District's discipline-related policies and procedures, including which behaviors fall into categories of misconduct defined therein so that there is consistency in application.
 - b. How to apply school discipline policies, procedures, and practices in a fair and equitable manner so as not to disproportionately impact students of color, students of a particular gender, students with disabilities, or at-risk students.
 - c. Effective classroom management strategies, recognizing that the removal of students from the classroom is to be used as a last resort.
 - d. How to engage students and support positive behavior, including through any PBIS program implemented in the District.
 - e. Classroom management techniques and resources available to staff who are having difficulty with classroom management.
2. Provide ongoing professional development on the adverse consequences of exclusion and justice system involvement, effective classroom management strategies, culturally responsive discipline and developmentally appropriate disciplinary methods that promote positive and healthy school climates to administrators, teachers, staff, school board members, and SROs.

Notice

Annually notify students and parents/guardians of the District's discipline-related policies and procedures.

1. Use varied communication methods, such as student handbooks, District or school websites, posters, classroom instruction, assemblies, etc.
2. Ensure such notice is provided in an age-appropriate, easily understood manner.
3. Ensure such notice is provided in multiple languages.
4. Explain to students:
 - a. The District's discipline-related policies and procedures, including which behaviors fall into categories of misconduct.

- b. Their particular school's discipline-related procedures and conduct codes, including which behaviors fall into categories of misconduct.
- c. Behavior expectations.
- d. Resources and support services available to students.

Collaboration with Law Enforcement

1. Review the District's reciprocal reporting agreement with local law enforcement agencies to determine if revisions are necessary.
2. Develop and enter into a memorandum of understanding (MOU) with local law enforcement agencies. The MOU should clearly define law enforcement's role in the District's schools. Follow an existing MOU and suggest modifications as the need arises.
