

Community Relations

Non-School Sponsored Groups

Activities, clubs, or groups are considered school-sponsored only if expressly so designated by the Board of Education or Superintendent with Board approval. The School District shall have no responsibility or liability, and shall not provide financial support, for groups which are not school-sponsored.

Non-School sponsored groups may apply for consideration for sponsored status through the District's Supplemental Pay Committee process, apply to their local school PTA to be considered a PTA sponsored activity or work with Partnership for Educational Progress (PEP) to assist with fundraising efforts on their behalf.

District representative/contact information:

District Supplemental Pay Committee
Assistant Superintendent of Human Resources
630-534-7569

Partnership for Educational Progress (PEP)
Chief Communications Officer
