

MATH TEST RETAKE FORM

Teacher: \_\_\_\_\_ Contact Information: \_\_\_\_\_
Date: \_\_\_\_\_

Dear Parent/Guardian:

Your child's performance on the recent \_\_\_\_\_ test did not exhibit the progress representative of a student who met the standards for this unit of study. As your child is accountable for these standards, a retake is being offered Tuesday, Wednesday, or Thursday before (7:55-8:25 AM) or after (3:30-4:00 PM) school during the next two weeks at the Testing Center located in Room 120 before school/POD B after school at Hadley. A student may need two testing sessions in order to complete the assessment.

The practice of allowing retakes is only offered to a student three times per year. By agreeing to retake this test, your student also agrees to take the necessary actions to prepare for this valuable opportunity. Applicable measures are noted on the attached Obligation Form.

Feel free to contact me if you should have any questions.
