## Parent Night w/ National Inclusion Expert Dr. Julie Causton

This is a special opportunity for ALL parents. District 41 is working with national inclusion expert Dr. Julie Causton this year to support staff and parents as we dedicate ourselves across the district to provide an inclusive education for all students. Inclusive education means that all students are welcomed in age-appropriate, regular classes and are supported to learn, contribute and participate in all aspects of the life of the school.

### *Please join us...*

Parent Night with Dr. Julie Causton  
 Thursday, September 14, 7 p.m.  
 Hadley Junior High School  
 240 Hawthorne Blvd. Glen Ellyn

Dr. Causton presented to the entire District 41 staff prior to the start of this school year. Her messages, teachings and dynamic style made a lasting impact on all who attended. She will continue to work with district staff through more professional development and she is also providing this opportunity for parents to learn about inclusion. It's a great way for all of us to come together to learn about what is best for all children in education and beyond!
