# District Digest

*from Glen Ellyn School District 41*

## **Partnership Proposal to the Village of Glen Ellyn and Park District**

Over the past few months, District 41 has been engaged in a number of conversations with different school districts, local organizations, the Village of Glen Ellyn, and the Glen Ellyn Park District to determine if there are any opportunities to partner related to District 41 space needs.

Discussions with the Village of Glen Ellyn and the Park District focused on the North Wing of the Park District's Spring Avenue Recreation Center for District 41's Early Childhood ("EC")/Preschool Program (currently six classrooms at Forest Glen Elementary School). The Park District offices currently located at Spring Avenue would then move to the area of the Glen Ellyn Civic Center formerly occupied by the Glen Ellyn Police Department.

At the Board of Education's direction, District 41 submitted an initial proposal to the Village and the Park District earlier this week.

## **Referendum Construction Projects Update - Renderings of Churchill and Hadley**

At the November 6, 2017 Board of Education meeting, architects from Wight and Co. presented the latest renderings of the interior and exteriors of the major referendum construction projects at both Churchill Elementary School and Hadley Junior High School. [Click here](#) to view the renderings. Please note: These designs are subject to change as the process moves forward. Thank you to the community of voters for supporting these projects!

## We Need to Hear Your Voice! Survey Starts November 15

Surveys are incredibly important in our District. Survey data is used to evaluate, plan and make decisions about the future. Every year, the State of Illinois administers a survey called 5Essentials.

**5Essentials**  
School Surveys

Starting on November 15, please take the 5Essentials parent survey and let us know about your experiences with District 41. The District will only receive results to the survey if over 20 percent of parents respond and 50 percent of teachers respond from each school. Thank you in advance!

Starting on November 15: Please [Click Here](#) and select the PARENT survey to begin.

### Career Fair at Hadley

Last week, Hadley 7th grade students participated in a career fair. The morning started with a keynote speaker, and then students rotated through three career presentations based on an interest survey they took earlier in the week. Computer teacher, Kelly Lewis, partners every year with Junior Achievement to bring this program to Hadley. A huge thank you to the following D41 parents and community members who volunteered to share their careers with Hadley students: Jared Bruns, Judith Cipollari, Dr. Kelley Kalinich, Andrea Maciejewski, Diane McGinley, Steve Norvid, Tayyaba Syed, Allison VanDerVeen, Christine White, and Evan Wright.
