How to access your child's Google Account

Benjamin Franklin School
Franklin School
Google Apps for Education

Franklin Libeary

Step 1: Download Google Chrome to your computer if you do not have it already.

Google chrome

Step 2: Sign in to your student's account.

Go to the Google homepage and click "sign in" in the top right corner.

Sign in

How to Sign in

Google

Need help?
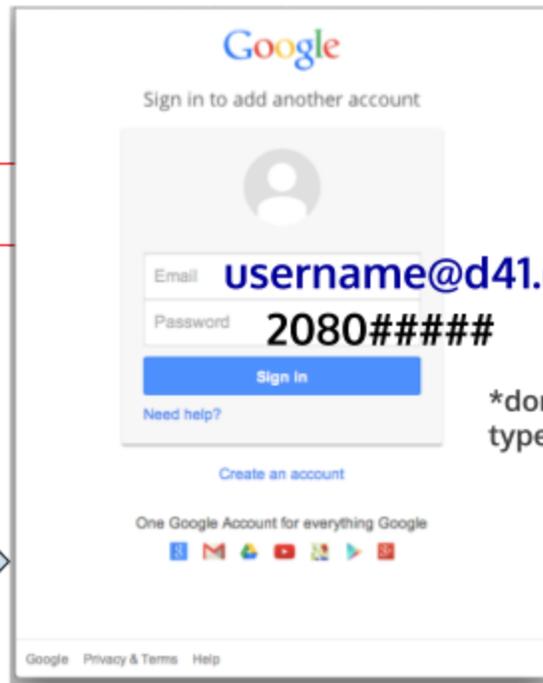

*don't forget to type @d41.org!

Create an account

One Google Account for everything Google

Google   Privacy & Terms   Help

Step 3: Now you have access to their Google Drive to view their work. You can also view their Google Classrooms. Search Google Classroom and select the link or click the this [icon] icon.

Now when signed in you should automatically see your child's classrooms.
