Acceptable Use Policy

A Digital Citizen is respectful, responsible, and safe online.

Digital Citizens are Respectful:
● I will take care of the devices, keep them clean, and keep them protected.
● I will only use kind words and treat others fairly online.
● I will identify where I find my research.
● I will keep my hands on my own device.

Digital Citizens are Responsible:
● I will follow my teacher’s directions and use my device for school work only.
● I will only go to websites my teacher tells me.
● I understand that I create a Digital Footprint when using the Internet.

Digital Citizens are Safe:
● I will not give out any private information online.
● I will never share my username or password with anybody except my teacher or a parent.
● I will always sign in and sign out of my own accounts at school and at home.
● I will never post photos without teacher permission.
● I will tell the teacher if I see something online that is mean or makes me feel uncomfortable.
