# A Culture of Care

# **Anti-Bullying Task Force** Recommendation

# March 7, 2011

Glen Ellyn School District 41

Attachment 1

## Background

- Bullying is an issue throughout the country as well as here within our own school district and community.
- Concerns among our staff and parent community are growing relative to the dangers of bullying and the long-term effects bullying has on the victim and the bully.
- With a desire to be proactive in responding to growing concerns an invitation to interested staff, parents and community was sent in October to join this task force.
- Over forty people representing staff, community and parents responded.
- Four study groups were developed and the self-selected group members met seven times to prepare their findings and reports.

Page 4 of 63

Page 5 of 63

## Study Groups

**DEFINITION AND RESPONSE:** Charged with defining bullying, developing a matrix representing behaviors and responses to those behaviors, and making policy recommendations.

**RESEARCH AND REVIEW:** Charged with identifying researched best practices to act proactively to prevent and to intervene to stop bullying behavior

**SCHOOL CLIMATE:** Charged with identifying those qualities that must be present in a school community that make for a positive climate where bullying is not possible.

**COMMUNITY ENGAGEMENT/EDUCATION:** Charged with creating ideas related to outreach to the larger community where responsibility for eradicating bullying belongs to everyone in the community

## **Research and Review**

## **Best Practices**

- Establish a positive school climate
- Do a thorough assessment
- Take a team approach
- Align with a research-based bullying curriculum
- Invest in training
- Develop and use a school-wide behavioral rubric that features clear, consistent expectations and predictable, escalating consequences for bullying.

Page 6 of 63

## **Research and Review**

## **Best Practices**

- Develop various age-appropriate, anonymous/ student-safe reporting mechanisms.
- Facilitate consistent and ongoing engagement with key stakeholders.
- Provide appropriate resources and/or referrals for both proactive and reactive bullying management.
- Embrace a restorative approach to bullying.
- Avoid mediation.
- · Follow the research.

Page 7 of 63

## **Definition and Response**

- The underlying philosophies supporting the behavioral matrix were to identify responses that allowed students to learn from and correct their mistakes, to identify gateway behaviors that can lead to more severe bullying behaviors and to avoid labeling students.
- The District's bullying prevention efforts will be more successful with consistency across schools in definitions of bullying, interpretations of the severity of unacceptable behaviors and appropriate responses, and required documentation, notification and communication.

## **Definition and Response**

- The work of the study group covered emotional and subtle bullying behaviors in addition to physical bullying behaviors, as well as incorporated bullying behavior challenges posed by technology.
- The recommendation encompasses more than the state requirements or existing policy and provides for enhanced requirements for documentation and notification.
- The group recommends that explicit definitions and behavioral matrices be used to train all staff and educate students and be distributed to parents at least annually.

Page 9 of 63

## **School Climate**

SAFETY and BELONGING are the two essential components in a non-bullying environment.

Two vehicles drive us toward a positive climate: ENVIRONMENT AND EDUCATION.

An environment of safety is best built through...

- Increasing adult supervision in all school areas
- Encouraging appropriate behaviors
- Creating a consistent bullying incident reporting system

Page 10 of 63

## **School Climate**

Furthering education for ALL stakeholders is another essential component for a climate of belonging.

Education serves as both an intervention and an a prevention tool in the management of climate.

## **School Climate**

Specific methods and strategies to create this climate include (but are not limited to)

- Anonymous hotline to report bullying
- Curriculum enhancements
- Creating connections among students through programs such as mentoring
- Ensuring that a school's diversity is represented in multiple ways
- Offering various opportunities for student involvement that recognize and promote the school's diversity
- Providing models for leadership through service

Page 12 of 63

# Community Engagement and Education

The message - STAND UP AND BE HEARD

- Identify the crucial role of the bystander as a key component to de-escalating bullying.
- Involve community partners (agencies, other schools, faith communities, park district, other governmental bodies) to promote the unifying message in a way that aligns with each organization.

# **Community Engagement and Education**

- Provide venues to families and community members in order to promote and spread the "message". Select events that meet the unique needs of identified audiences (such as athletic forums, artistic venues, symposiums or conferences) and solicit testimonials from celebrities and community dignitaries.
- Create a universal website for children and adults that incorporates the "message" through entertaining education and expert opinion, and which provides links to authorities on anti-bullying practices around the world.
- Involve local businesses in sponsorship opportunities to promote the "message".

Page 14 of 63

## Next Step Recommendations

- 1. The administration should continue to use the framework of the study group topics to develop action plans that encompass each school and the District administration.
- 2. The administration should determine appropriate outreach to our community partners to assist in raising awareness in the community.
- 3. The Board should analyze any needed policy changes in order to communicate its commitment to creating a culture of care.

## Next Step Recommendations

- 4. The Parent Teacher Advisory should examine the bullying behavior and response matrix to determine how it fits with the overall discipline matrix.
- 5. A communication plan should be developed to highlight the work of the Task Force and to outline next steps for action.
- 6. Finally, as the Best Practices study group advised: Follow the research, which means develop a systematic approach to collecting data around intervention/prevention practices employed and to staying current with the ever-evolving knowledge base around bullying.

# A Culture of Care

## Where a culture of care exits, there is little room for bullying to emerge.

## We strive to create and sustain that culture.

#### PUBLIC HEARING AND BOARD OF EDUCATION REGULAR MEETING

#### FEBRUARY 21, 2011 7:15 PM

#### ABRAHAM LINCOLN SCHOOL 380 GREENFIELD GLEN ELLYN, ILLINOIS

#### PUBLIC HEARING: PROPOSED CHANGE IN THE DESIGNATION OF LEGAL SCHOOL HOLIDAYS

Board President Steven Vondrak called the public hearing to order at 7:15 p.m.

Board members present: Drew Ellis, Erica Nelson, Dan Smith, Terra Howard, Bob Solak and Steve Vondrak. Mr. Kenwood was absent.

Mr. Vondrak explained the purpose of the hearing was to take testimony on District 41's proposal to change the designation or use of school holidays, Veterans' Day, Martin Luther King Jr. Day, Abraham Lincoln's Birthday, Casimir Pulaski Day and Columbus Day, allowing it the option of holding regular school with student attendance, or to schedule teachers' institutes, parent/teacher conferences or staff development activities (including school improvement and in-service training.) Mr. Vondrak further explained that Public Act 96-640, enacted on August 24, 2009, amended the Illinois School Code 105 ILCS 5/24-2 so that school districts are no longer required to request a waiver from the Illinois State Board of Education (ISBE) to use certain school holidays for other purposes. However, in order to designate these school holidays for purposes other than a holiday, the District is required to hold a public hearing and have Board approval. Once this criteria has been met, the provision is valid forever or until the School Code is changed.

Mr. Vondrak advised that notice of the hearing was published in the GateHouse Media Suburban Newspapers (d/b/a Suburban Life Publications); written notice was sent to both educators and parents and that Board action on this proposal was scheduled later in the evening during the Board of Education meeting.

Mr. Vondrak asked if there were any members of the public who wish to comment on the District's proposal. Hearing none, the public hearing was closed at 7:16 p.m.

#### **REGULAR BOARD MEETING**

#### Call to Order

Board President Steve Vondrak called the meeting to order at 7:16 p.m.

#### Pledge of Allegiance

Board member Erica Nelson led in the recital of the Pledge of Allegiance.

#### Roll Call

Upon the roll being called, the following members answered present: Drew Ellis, Erica Nelson, Dan Smith, Terra Howard, Bob Solak and Steve Vondrak. John Kenwood was absent.

#### **Public Participation**

Parent Joie Scott and Hadley student Kate Wild expressed concern about the possible elimination of Rising Stars, a fee-based, show choir activity, sponsored by the PTA and currently housed at both Forest Glen and Hadley Schools. They encouraged the Board to support the Rising Stars Team and allow the team to continue using District 41 building space for the program.

#### **Recognition**

Snow Removal Efforts: On behalf of the Board and Administration, Dr. Riebock thanked the Buildings and Grounds and the Custodial staff for their extraordinary efforts to remove snow during the early February snow storm. Assistant Superintendent for Finance, Facilities and Operations Bob Ciserella noted that staff worked round the clock to ensure that schools were able to reopen on Friday, February 4, after two days of emergency closings. In recognition of their efforts, Dr. Riebock presented District 41 Vision pins to Mike Sarallo, Koco Qirko and Ilija Mackovic, who were present. Also recognized, were Ed Maylath, Ken Kotovsky, Gjergji Deli, Kristaq Jorgji, Pellumb Bedteshaj, Mike Peters, Marc Henry, Fatos Baholli, Arben Loci, Artur Zagorcani, Nikollaq Pergjika and Adriatik Perihana.

#### Presentations, Reports and Initiative Updates

- A. Lincoln School Presentation: Lincoln principal Shannon Cross and a team of teachers gave a PowerPoint presentation on Lincoln's work with its newcomer/refugee students. Lincoln's presentation described the journey of families who have traveled from refugee camps in Sudan, Thailand, Burma, Nepal and other countries and resettled in the Lincoln school attendance area, and illustrated the Lincoln staff's commitment to meeting the unique needs of the newcomer/refugee students through a collaborative approach. The presentation also included data and video clips of students and teachers working together. The entire presentation can be viewed here <u>http://www.d41.org/images/AL\_BOE\_presentation\_2011sc2\_ab.pptx</u>
- B. Master Facility Plan (MFP) Recommendation: Superintendent Dr. Ann Riebock and Board Vice President Bob Solak gave a report on the Finance and Facilities Committee's MPF recommendations. Dr. Riebock noted that the MFP process began following the \$40 million facilities referendum which was defeated in 2007. In 2008, the District convened a stakeholder committee to study the issue and to develop a plan that could be supported by the community. The MFP Steering Committee presented its recommendation to the Board in March 2009 for analysis. Subsequently, in February 2010, the Finance and Facilities Committee assumed leadership for the MFP review and has been studying the MFP Committee's recommendation. The review included analyzing a number of options and providing rationale for retention or elimination of the options. The following is a summary of the Finance Committee's review and analysis.

The Finance Committee used the following criteria to analyze the original options examined by the MFP Steering Committee.

- Long-term elimination of portable classrooms
- Final option Cost less than \$100,000,000

\\data\admin\mstecker\board of education\minutes\july 2010 - june 2011\2-21-11 public hearing and regular meeting.doc

- Assumes an enrollment of 3700 students district-wide
- Assumes elementary schools of four sections Pre-K-5
- Meets educational objectives, currently defined as "21<sup>st</sup> Century Learning Environment" (reflected in flexible space, large/small group space, etc.)

Two "large parcel" options were added; all but four were initially eliminated and the final list of options was narrowed to three.

#### Reasons for Option Elimination

- Continued reliance on portables
- Lack of alignment with educational priorities or 21<sup>st</sup> Century Learning Definition
- · Significant disruption to schools and learning for a substantial length of time
- Cost and length of time using a swing school
- Scope of renovation is not comprehensive
- Cost of renovation/tear downs too high
- Changes to programs delivered
- Placed too many students on elementary sites

#### Additional Information Gathered for Remaining Options

- "Overhead" costs for operating another building
- Rough cost estimates for building construction
- Test fits for K-5 at Spalding site

#### Recommended Options

- Construct a new facility on the Spalding property to house a four-section Pre-K-5 and adjust school attendance boundaries. Additions/renovations necessary at Hadley and the elementary schools to remove all portables.
- Purchase a larger parcel of land other than Spalding that can house a new four-section, Pre-K-5 elementary school and adjust school attendance boundaries. Additions/renovations necessary at Hadley and the elementary schools to remove all portables.
- Purchase a larger parcel of land, build a 6-8 junior high, renovate Hadley to be a foursection, Pre-K-5 school that houses the administration center and the buildings and grounds operations. Additions/renovations necessary at Hadley and the elementary schools to remove all portables

#### Recommended Next Steps

Short-Term:

- Land Acquisition
  - Analyze properties in District for all possible large parcel(s) where another building could be built.
  - Determine whether or not the school district should pursue property acquisition to attain a larger parcel of land
  - Determine funding source for land purchase (reserves?)
- Conduct a new demographic study to confirm/alter enrollment assumptions
- Choose between different options presented.
- Determine methods and objectives for community engagement for the Board's decision process

Long-Term:

 Develop and implement a long-range facilities plan that includes constructing a new building and renovating existing school

It was noted that the Finance Committee did not identify a parcel to be acquired, should the Board support that direction. The Committee emphasized that its recommendation is not intended to be the least expensive solution to eliminate portables, but is a plan that would have to be realized over time and will be useful for decades to come.

\\data\admin\mstecker\board of education\minutes\july 2010 - june 2011\2-21-11 public hearing and regular meeting.doc

The Board noted that while the MFP discussion has gone on for several years, progress has been made and it is important for the Board to keep this effort moving forward. Board members concurred that the options presented were well-researched and it is looking forward to discussing next steps and a solution that will meet the District's needs over the next several decades.

Dr. Riebock expressed her appreciation to Drew Ellis, Bob Solak, Bob Ciserella and Phyllis Hanna for their diligent contributions to the process and recognized the MFP Committee members for their contributions as well.

Dr. Riebock asked the Board to consider March 14, 2011 and April 11, 2011 as suggested dates for Board workshops to further discuss the MFP recommendations and outline next steps such as a community engagement process.

Public Comment:

- Members of the 2009 MFP Steering Committee encouraged the Board to stick with the process for developing a long-term plan.
- Rob Herbold asked the Board if it had examined consolidation possibilities with District 89 in light of Governor Quinn's recent statements. Mr. Solak replied that in previous discussions, District 89 indicated that it was not interested in consolidation. Dr. Riebock added that in light of the Governor's recent comments school districts will probably have to explore the consolidation discussion; however, in District 41's case it would be a parallel conversation to the MFP discussion.

#### Action Items

A. Consent Agenda: Mr. Vondrak asked if there were any items Board members would like removed from the Consent Agenda to be considered separately. Hearing no requests,

*Mr. Ellis moved and Mr. Smith seconded to approve the actions and recommendations of the Consent Agenda as presented and listed below. On a roll call vote answering "Aye: Nelson, Howard, Solak, Ellis, Smith and Vondrak; Answering "Nay": None. Motion carried.* 

- 1. Human Resources
  - (a) Personnel Report (Attachment)

Basic Fees	
Early Childhood	\$56.00
Kindergarten	\$56.00
Elementary School	\$75.00
Junior High School	\$115.00
Activity Fees	
First Activity	\$30.00
Second Activity	\$15.00
Third Activity	\$7.50
Fourth Activity	\$3.75

Mrs. Nelson moved and Mr. Solak seconded to approve the Administration's recommendation as presented. On a roll call vote answering "Aye": Solak, Ellis, Smith, Nelson, Howard and Vondrak; answering "Nay": None. Motion carried.

 2011 Request for Proposal Results, Electric Services: At its February 7, 2011 meeting, the Board discussed the Administration's recommendation to award a contract for District 41 electric services to the low bidder, Integrys Energy Services/Nania Energy in the amount of \$.05333 per kilowatt hour for the period beginning March 21, 2011, through December 31, 2013.

*Mr. Ellis moved and Mr. Solak seconded to approve the Administration's recommendation as presented. On a roll call vote answering "Aye": Ellis, Smith, Nelson, Howard, Solak and Vondrak; answering "Nay": None. Motion carried.* 

a. Approval of Proposed Change in the Use of Legal School Holidays (Illinois School Code, 105 ILCS 5/24-2): Earlier in the evening, a public hearing was held to hear testimony on the District's proposal to change the designation for the use of the school holidays, Veterans' Day, Martin Luther King Jr. Day, Abraham Lincoln's Birthday, Casimir Pulaski Day and Columbus Day, allowing the District the option to observe these holidays or to hold regular school with student attendance, or to schedule teachers' institutes, parent/teacher conferences or staff development activities (including school improvement and in-service training.) The Administration is recommending Board approval of its proposal to change the use/designation of these holidays. Once approved by the Board, the provision is valid forever or until the School Code is changed and the District is no longer required to submit a new request every five years.

*Mr. Ellis moved and Mrs. Howard seconded to approve the Administration's recommendation as presented. On a roll call vote answering "Aye": Smith, Nelson, Howard, Solak, Ellis and Vondrak; answering "Nay": None. Motion carried.* 

3. Board Policy #2:210-Organizational School Board Meeting: At its February 7, 2011 meeting, the Board conducted a second reading and considered approval of recommended revisions to Section II Board policy and procedures. At that time, Board discussion focused on the proposed language change to policy #2:210 and determined that the language would require further review prior to Board approval. In response to that discussion, Erica Nelson has edited this policy and the Administration is recommending Board approval.

*Mrs.* Howard moved and Mr. Ellis seconded to approve the Administration's recommendation as presented. On a roll call vote answering "Aye": Nelson, Howard, Solak, Ellis, Smith and Vondrak; answering "Nay": None. Motion carried.

#### Superintendent's Report

Dr. Riebock provided an update on the work of the Continuous Improvement Team (CIT) at its last meeting and the Team's examination of a final draft of the Long Range Plan Renewal by work groups.

#### **Board Reports**

Terra Howard reported on the LLT meeting. Discussion topics included:

- Review of two PDSA's for curriculum writing in the area of Bilingual/ESL curriculum and Special Education curriculum. The work is scheduled to begin this spring and will continue through the summer and possibly next year.
- > There will be a call for committee membership.
- Findings from the ISAT Reading Item Analysis data were shared and reviewed, as well as findings from the ISAT Math Item Analysis data.

Mrs. Howard also reported on the PTA Executive Council meeting held earlier in the day. Discussion topics included:

- > The D36 PTA council held their meeting at the Glen Ellyn Library. The state PTA Conference is on March 11 in Schaumburg.
- PTA Council nominating committee has been established; anyone interested in serving on the PTA Council should contact Jolie Murphy.
- The Parent Involvement Committee is looking for one parent from each school to serve on the committee.
- > Monday, March 7, 2011, 7-8 p.m., a presentation on allergies at Churchill School.
- There was discussion about District-wide policy vs. a PTA policy for the use of student pictures on PTA websites.
- Ben Franklin School is tentatively hosting the candidate forum for all school PTAs on March 10 from 7-8 p.m.
- PTA websites

Erica Nelson reported on Lincoln PTA meeting. Discussion topics included:

- > Lincoln's presentation during the February 21 Board meeting at Lincoln School
- > A review of the ISAT testing schedule and process for grades and specific content areas and make-up exam schedule
- > Additional methods for measuring academic progress

Mrs. Nelson also reported on the PTA Executive Council meeting as follows:

- > PTA by-laws were presented
- PTA budget reviewed and accrued balance and options for identifying appropriate use for these funds

#### **Discussion Items**

A. 2011-2012 Proposed School Calendar: Dr. Riebock reported that a Calendar Committee comprised of representative stakeholders from the Board of Education, the support staff union, the teachers' union, the administration, the Executive Assistant to the Superintendent and the Superintendent work collaboratively to present a recommended calendar for Board action. Dr. Riebock noted that in developing this draft calendar, the Committee worked to maximize instructional time and create as many five-day weeks as possible as well as align with District 87's calendar, whenever possible. Overall, next year's proposed calendar is very similar to this year's with some minor exceptions. The main differences are that Winter Break occurs midweek in December (December 21) and students and staff return mid-week in January (January 4) and the ending of the school year is two days earlier because of a leap year and the continued non-observance of President's Day in February. The first student attendance day is August 24, and the last student attendance day is June 6; if no emergency days are needed, the last student attendance day will be May 30. The Board expects to take action on the matter at its March 7, 2011 Board meeting.

\\data\admin\mstecker\board of education\minutes\july 2010 - june 2011\2-21-11 public hearing and regular meeting.doc

Board member Terra Howard, who is a member of the Committee, said that the rationale for non-observance of President's Day this year was due to a County-wide Institute Day scheduled on Friday of the same week. Mrs. Howard emphasized that when planning the school calendar, the objective is to provide students and staff the best possible learning environment, while maximizing the staff's professional development opportunities.

Mrs. Howard noted that while the non-observance of President's Day was communicated well, there was still some confusion in the eleventh hour. Dr. Riebock shared student absent percentages and some feedback that she received from dissatisfied parents by phone. Dr. Riebock acknowledged that buildings had difficulty getting substitutes and said that perhaps these factors will need to be considered in the planning and communication of future calendars.

The Board discussed the possibility of holding Institute Days on other waived holidays and the trade off of doing so including an earlier end to the school year and the impact on the District's other labor groups.

B. 2011 Summer Capital Projects: As part of its long-range capital projects plan, the District completes maintenance projects each summer. Assistant Superintendent for Finance, Facilities and Operations Bob Ciserella presented the annual update for the 2011 summer work. Below is a summary of the projects and bid results.

2011 Summer Capital Projects bid documents were developed as Base Bid with Alternates A-2 and S-1.

Base bid projects include:

- Churchill Replace damaged entry doors to large gym
- Franklin Replace flooring along gym corridor Paving and sidewalk replacement Replace Bryant Ave. entrance Brick repair along north wall
- Lincoln Paving and sidewalk replacement
   Interior painting

Alternate A-2:

• Franklin Replace additional flooring along gym corridor

Alternate S - 1:

Lincoln Replace exterior gym stairway entrance

Twenty three bids were received and opened on January 20, 2011 with the lowest base bid of \$551,000 and the highest base bid of \$929,000. After review of Alternate S-1 pricing, the Administration determined it would not move forward with this alternate. Bids for Alternate S-1 are not included in the listing of bidding contractors and pricing which follows:

District Landscaping due to Construction Projects	\$5,000	
Professional Fees – Typically budgeted and expended as a consultant fee	\$100,000	
Total Funds Committed to 2010 Fiscal Year Budget	\$994,182	

The Board is expected to take action on this matter at its March 7, 2011 meeting. At that time, the Administration will recommend that the Board of Education approve the bid from Lite Construction Inc. in the amount of \$663,237 for the base bid and Alternate A-2.

The Board asked for clarification on higher percentage of professional fees (15%) as opposed to the customary percentage of 10%. Mr. Ciserella noted that the professional fees are for both architectural services as well as engineering services and he has taken a conservative approach with the estimates since he feels that that will be some extra costs associated with these projects and wants to make sure all costs will be covered. Mr. Ciserella will provide the Board will more specific information regarding the extra project costs.

C. Hadley Courtyard Renovations: At the November 1, 2010 Board meeting, the Administration presented a \$50,000 proposal for renovating the Hadley Courtyard. At that time, the Board directed the Administration to develop a more comprehensive plan to transform the courtyard into a viable learning space that could be used in alignment with the curriculum and would be a long-term asset to Hadley students in the years to come.

To that end, the Administration in partnership with Hadley building staff developed a new plan that creates an outdoor learning environment that is educationally, environmentally and economically sustainable. Particular attention has been paid to minimize the impact to

\\data\admin\mstecker\board of education\minutes\july 2010 - june 2011\2-21-11 public hearing and regular meeting.doc

surrounding classrooms and maximize this space on behalf of students, staff and community stakeholders. The conceptual plan developed by FGM Architects estimates the space will accommodate up to three classrooms of students and provide for programs in literacy, science, library and math studies. Additionally, it is anticipated this space will be used by the Hadley arts programs. The attached concept plan includes three separate learning spaces including a small amphitheater. These areas will be constructed with permeable pavers connected by a paved sidewalk to allow students and staff to transition from space to space as necessary. Areas not constructed with permeable pavers will be seeded for grass growth. Every attempt to maintain the existing trees will be made.

Preliminary design concepts have been shared with Village officials. A final determination of storm water implications has not yet been resolved; however, an estimate for storm water requirements has been included in our preliminary cost estimates. The estimated costs are set forth in the table below:

Description	Pricing		
Hadley courtyard construction	\$150,000		
Storm water allowance	\$15,000		
Professional fees	\$25,000		
Total estimated costs of Hadley courtyard	\$190,000		

The Board will take action on this matter at its March 7, 2011 meeting.

Mr. Smith asked for clarification on the increase in cost from when the project was first presented and asked whether this money would be better spent on other learning tools such as SmartBoards, etc. Dr. Riebock noted that when first presented, the Board asked the Administration to reexamine the project in order to use the space to its full extent and make it a true learning environment. It is currently an underutilized space which can be expanded and enhanced to be used during school and for after school activities.

#### **BOARD BRIEFS**

#### February 25, 2011

The February meeting of the C.A.S.E. Board of Directors was held on Friday, February 25, 2011, at C.A.S.E.

The Board approved the following items:

- Minutes of the January 28, 2011 Regular and Closed Sessions;
- February Accounts Payable and Payrolls;
- Estimated March Accounts Payable and Payrolls;
- Treasurer's Report;
- Resignation of Linda Richardson;
- Employment of Jerome Brendel;
- Lane changes for Barb Hollowed, Hope Hillock, Kathryn Williams and Allison Schacherer;
- Notice of Intent to Retire for Christine Granrath, Bonnie Broderick and Linda Gifford;
- Rothbart Realty Lease Extension Agreement #3.

#### ITEMS FOR INFORMATION, DISCUSSION, AND/OR FUTURE BOARD APPROVAL

Mr. Nelson stated there were two FOIA requests regarding transportation information that were received and fulfilled in February.

Glenwood Social Skills classes attended a presentation and display at the Glendale Heights Library sponsored by the Glendale Heights Police Department. The students had an opportunity to ask questions about drugs and their harmful effects. The presentation was well received.

C.A.S.E. Itinerant Services teachers of the deaf and hard of hearing will attend the 47<sup>th</sup> annual conference "Leave Your Footprint" sponsored through Illinois Teachers of the Hearing Impaired (ITHI) in Lisle on March 4, 2011. Assistive technology for DHH is a strong theme this year.

Mr. Nelson reported approximately 1/3 of the Septran fleet have video cameras on their busses. The cameras and video have aided in investigation for drivers and students. Video cameras are included in the transportation bid specifications. Mr. Nelson stated there are four qualified transportation bidders; Septran, Rich Lee, First Student and Central Illinois.

#### **Other Business**

The next regular meeting of the C.A.S.E. Board of Directors will be held on Friday, March 18, 2011. Recipients of this notice may request more information on any of these topics by calling C.A.S.E. at 630/942-5600.

Mr. Jim Nelson, Executive Director Cooperative Association for Special Education 22W600 Butterfield Road Glen Ellyn, IL 60137-6957

Dear Jim,

This letter is to indicate my intention to fully retire from my position as speech and language pathologist with CASE at the end of this school year (2010-1011). Of course I officially retired three years ago but have been thankful for the opportunity to continue working part time since then.

In full retirement, I look forward to pursuing interests in the "other part" of my life—that of Christian ministry. As I told you in our recent conversation, I am exploring the possibility of being ordained to the Anglican priesthood.

Working for CASE for these 24 years has been a great experience for me in every way. Jim, thanks for your support and affirmation through the years. I wish you well and pray God's blessing upon you as you continue to serve the needs of children with disabilities and their parents. It's truly Kingdom work.

Sincerely,

Linda B. Richardson Speech and Language Pathologist

Dear C.A.S.E. Board of Directors,

In January of 2009, I had originally requested my retirement to begin July 1, 2012. In lieu of that letter, I am requesting approval to retire July 1, 2011 under the TRS Early Retirement Option. The ERO requires the school district and retiree to provide a one- time, nonrefundable contribution to TRS.

A letter dated July 27, 2009 from Georgia Peceniak, past Executive Director of C.A.S.E. granted approval per C.A.S.E. of Directors, for retirement benefits in a lump sum contribution in the amount of \$2700.00 each year for five years consecutive years, towards health insurance. If the board approves ERO, it would begin July 1, 2011. In addition, I am requesting that I would be reimbursed for 22 vacation days equal to my daily rate. Lastly, I am asking to keep the C.A.S.E. provided cell phone and phone number.

Providing that these requests are acceptable with the C.A.S.E. Board of Directors, I am asking for a confirmation letter describing these requests.

In closing, it has been a privilege and honor to serve the seven C.A.S.E. Districts, students, families, and staff for the past twelve years.

Sincerely,

Chustine M Granne

Mr. Jim Nelson, Director Cooperative Association for Special Education 22W600 Butterfield Road Glen Ellyn IL 60137

Dear Jim,

It is with mixed emotions that I am writing to advise you of my wish to retire from CASE effective June 30, 2012.

With the new CASE Recognition Benefit presented to non-certified staff this past year, and the fact that I will be 62 years of age in June of 2012, I feel it is time to start the next chapter of my life. I am well qualified under IMRF to retire at this time.

I have enjoyed working at CASE for the past 30 years and wish you and everyone at CASE all the best in the future.

Sincerely,

1. Donnie Broderica

Dear Jim,

This letter is to inform you of my intent to retire at the end of the 2015 school year. I ask for you to submit my retirement request to the board for approval. It has been a pleasure and a privilege to work for C.A.S.E. and I look forward to completing this final phase of my career with this organization. Thank you for the leadership you have provided through all of your administrative positions with C.A.S.E. and for the opportunity you have provided me to service the visually impaired students in our area.

Sincerely,

#### WITNESSETH:

WHEREAS, under a lease dated June 11, 2003, Rothbart Realty Company, as an agent for the Beneficiaries of LaSalle Bank National Association, not personally but as Successor Trustee to LaSalle National Bank as Trustee under Trust Agreement dated the 17<sup>th</sup> day of March, 1987, and known as Trust Number #112148 leased to TENANT the premises commonly known as 1104 Main Street, in Lombard, Illinois (hereinafter referred to as the "PREMISES"), under certain terms, covenants, conditions and agreements (hereinafter referred to as "LEASE"), and said LEASE is still in full force and effect under its original terms thereof, and

WHEREAS, by an assignment dated effective as of February 25, 2005, and Rothbart Realty Company, as an agent for the Beneficiaries of LaSalle Bank National Association, not personally but as Successor Trustee to LaSalle National Bank as Trustee under Trust Agreement dated the 17<sup>th</sup> day of March, 1987, and known as Trust Number #112148 (herein after referred to as "TENANT"), assigned all their right title, and interest in the LEASE and Lease Extension Agreements to 1120 Main Street LLC, an Illinois limited liability company (herein after referred to as "Assignee-Landlord") which assignment shall hereinafter be referred to as "Assignment". Both the Assignor-Landlord and the Assignee-Landlord individually or collectively shall be referred to as "LANDLORD"; and

WHEREAS, under a Lease Extension Agreement #1 dated December 12, 2007 and a Lease Extension Agreement #2 dated March 29, 2010, LANDLORD and TENANT extended the Term of the LEASE, under certain terms, covenants, conditions and agreements (collectively, hereinafter referred to as "Lease Extension Agreements"); and

WHEREAS, the LEASE, Assignment, Lease Extension Agreements, and this Lease Extension Agreement #3 are all incorporated herein (collectively, hereinafter be referred to as "REVISED LEASE"); and

WHEREAS, LANDLORD, and TENANT desire to herein make certain modifications, amendments and additions to the REVISED LEASE.

NOW, THEREFORE, LANDLORD and TENANT, in consideration of the mutual covenants and agreements herein contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged by each of the parties intending hereto to be legally bound hereby, covenant and agree that this REVISED LEASE shall provide as follows:

C:\Documents and Settings\dmarszalik\Desktop\Case Ext #3 clean 02 11 2011.doc\

1

- 1. The above recitals are hereby incorporated into this Agreement;
- 2. The following modifications, amendments and additions are made to the REVISED LEASE:
  - (A) The Term of this REVISED LEASE is hereby extended for an extended Term beginning on August 1, 2011 and terminating on July 31, 2013(hereinafter referred to as the "Extended Term").
  - (B) The monthly Base Rent during the remaining balance of the Extended Term of Lease Extension Agreement #2 and this Extended Term of this REVISED LEASE shall be as follows:

From: March 1, 2011	To:	July 31, 2012	\$ 33,000.00 \$ 2,750.00	Annualized Monthly
From: August 1, 2012	To:	July 31, 2013	\$ 33,900.00 \$ 2,825.00	Annualized Monthly

- In regard to TENANT'S obligations as to the heating and air conditioning (C) systems under Section 9(A) of the LEASE and Lease Extension Agreements #1 and #2, during the Extended Term of this Lease Extension Agreement #3, TENANT'S annual HVAC Cap including TENANT'S proportionate share of the preventive maintenance contract procured by LANDLORD shall not exceed in any calendar year the sum of One Thousand Seven Hundred Dollars (\$1,700.00) (hereinafter referred to as "HVAC Cap"), which amounts shall be prorated based upon TENANT'S actual occupancy during any calendar year for which TENANT has partial occupancy. In the event that TENANT'S actual HVAC costs for any calendar year are less than the applicable HVAC Cap, the difference between the HVAC Cap and TENANT'S actual HVAC costs shall be accumulated and carried forward to future calendar years and shall be applied in an amount not to exceed the accumulated amount to the amount, if any, that TENANT'S actual HVAC costs in any calendar year exceed the HVAC Cap. From the Initial Term of the LEASE and the Extended Term of Lease Extension Agreements #1 and #2, TENANT'S accumulated and unspent HVAC Cap shall be carried forward to this Extended Term ("hereinafter referred to as "Accumulated HVAC Cap") and the Accumulated HVAC Cap shall be applied in an amount, in addition to the HVAC Cap hereunder, to the amount, if any, that TENANT'S actual HVAC costs in any calendar year exceed the annual HVAC Cap hereunder. If during the HVAC preventive maintenance inspection, such inspection discloses that there is required maintenance and/or repairs to be completed for the PREMISES and such maintenance and/or repairs are less than Six Hundred Dollars (\$600.00) such maintenance and/or repairs shall be completed at the time of the HVAC preventive maintenance inspection, and any costs subject to TENANT'S HVAC CAP shall be due and payable by TENANT upon demand.
- (D) The Option to Extend as set forth in Section 2(D) of Lease Extension

C:\Documents and Settings\dmarszalik\Desktop\Case Ext #3 clean 02 11 2011.doc\

2

Agreement #2 shall be deleted in its entirety.

So long as TENANT is not in default, TENANT shall have one (1), two (2) (E) year Option to Extend ("Option") exercisable by irrevocable written notice to LANDLORD given no earlier than January 31, 2013 nor later than February 28, 2013 time being of the essence for the giving of such notice to extend the Term of this REVISED LEASE for an Extended Term beginning on August 1, 2013 and terminating on July 31, 2015 on the same terms and conditions as the within REVISED LEASE, except for the amount of the Base Rent. In the event TENANT fails to so exercise this Option, TENANT'S rights under this Section 2 (E) shall be null and void and be of no further force or effect. In the event TENANT so exercises this Option, the monthly Base Rent for the first year of the extended Term shall be the prevailing Fair Market Rent as agreed to by LANDLORD and TENANT acting reasonably and in good faith or an agreed to rental for the PREMISES, but in no event less than the last year's monthly Base Rent being Two Thousand Eight Hundred Twenty-Five Dollars (\$2,825.00) and the monthly Base Rent for each successive year thereafter shall be escalated at a three percent (3%) annual increase. In the event an agreement as to the Base Rent is not reached by March 15, 2013, TENANT'S rights under this Option to shall automatically be terminated.

It shall be a condition of TENANT'S right to exercise this Option that TENANT is in compliance with all the terms and conditions of this REVISED LEASE both at the time of TENANT'S exercise of this Option and at the time the Option Term is scheduled to commence. This condition may be waived by LANDLORD at its sole discretion and may not be used by TENANT as a means to negate the effectiveness of TENANT'S exercise of this Option. Except as provided in Section 16 of the LEASE, TENANT hereby acknowledges that the within Option shall not be transferred or assigned. At the expiration of the Option to Extend Term as set forth in this Section 2 (D) TENANT shall have no further right to extend or renew the Term of this REVISED LEASE pursuant to this Section.

- (F) An electronically transmitted facsimile copy of an original signature shall be deemed valid and binding, and shall have the same legal effect as manually executed original.
- (G) TENANT represents that TENANT has dealt directly with and only with Rothbart Realty Company as broker in connection with this REVISED LEASE and TENANT and LANDLORD each agree to indemnify and hold the other harmless from all claims or demands of any other broker or brokers for any commission alleged to be due such broker or brokers in connection with either party participating in the negotiation of this REVISED LEASE. The Principals of Rothbart Realty Company has an ownership interest in the PROPERTY, which is the subject matter of this REVISED LEASE.
- 3. All defined terms contained in this Lease Extension Agreement #3 shall ascribe to the definitions contained in LEASE.

C:\Documents and Settings\dmarszalik\Desktop\Case Ext #3 clean 02 11 2011.doc\

- 4. All terms, covenant, conditions and agreements of this REVISED LEASE shall remain unmodified and in full force and effect except as expressly herein provided.
- 5. This Lease Extension Agreement #3 shall be binding if executed by TENANT prior to March 1, 2011.

IN WITNESS WHEREOF, LANDLORD and TENANT have caused this Lease Extension Agreement #3 to be duly executed as of the date and year first above-written.

#### "DRAFT UNTIL APPROVED"

#### Glen Ellyn School District #41 Board Report

Date: March 7, 2011

Title: Proposed 2011-2012 School Calendar (attached)

Contact: Dr. Ann Riebock, Superintendent

**Long-Range Plan Focus:** The adoption of a calendar occurs on an annual basis and is required by law. The principles for developing the calendar align with the Long-Range Plan goals but the calendar is not directly related to a Long-Range Plan Target.

**Discussion:** Each year the Board of Education approves a proposed calendar for the following school year. The calendar, once adopted, remains tentative until near the conclusion of the school year for which it is set and will be adjusted according to the number of the five emergency days that may be used. It should be noted that the last day of student attendance for the 2010-2011 school year includes all five emergency days. Teachers attend one additional day following the students' last day.

A Calendar Committee comprised of representative stakeholders from the Board of Education, the support staff union, the teachers' union, the administration, the Executive Assistant to the Superintendent and the Superintendent work collaboratively to present a recommended calendar for Board action. In developing this draft calendar, three guiding principles assisted the committee in its work: development of as many 5-day weeks as possible, given multiple holidays throughout the school year; application of the standards for best practices in professional development; and, the recognition of the importance of ongoing evaluation of school improvement work.

**Recommendation:** The Administration is recommending the Board of Education approve the proposed 2011-2012 school calendar as presented on the attached.

#### Glen Ellyn School District 41 Board Report

Date:	March 7, 2011
Title:	2011 Summer Capital Projects
Contact:	Bob Ciserella – Assistant Superintendent Finance, Facilities & Operations

#### Long-Range Plan Focus:

This recommendation provides alignment with Goal #2, Targets #1 and #2 of the Superintendent's Long-Range Plan:

Target #1 - Five-year financial plan will demonstrate resource stability, long-range planning and fiscal responsibility, and address physical space needs.

Target #2 - The long-range capital development plan will provide a systematic roadmap to ensure that the facility infrastructure meets educational needs.

#### Discussion:

District administration created a capital projects timeline identifying potential capital projects through the year 2020. The list was compiled through the collaboration of building administrators and their custodial services, buildings and grounds personnel, Site Committee recommendations of the Master Facility Review Team, FGM Architects and other district personnel. The capital projects timeline incorporates the needs of each building including, but not limited to, roofing and parking lot assessments, painting and age and obsolescence schedules, heating, air conditioning and vehicle replacement. As the District begins planning for next fiscal year, all outstanding projects, including those recommended in the Site Committee reports, are reviewed and prioritized and may or may not be recommended for completion. In the event a particular project is not recommended for completion, it is then moved back to the master timeline for review in future years.

2011 Summer Capital Projects bid documents were developed as Base Bid with Alternates A-2 and S-1. Base bid projects include:

<ul> <li>Churchill</li> </ul>	Replace damaged entry doors to large gym
<ul> <li>Franklin</li> </ul>	Replace flooring along gym corridor
	Paving and sidewalk replacement
	Replace Bryant Ave. entrance
	Brick repair along north wall
<ul> <li>Lincoln</li> </ul>	Paving and sidewalk replacement
i.	Interior painting
Alternate A-2:	
<b>E</b> 1.11	

Franklin Replace additional flooring along gym corridor

Alternate S – 1:

Lincoln Replace exterior gym stairway entrance

Bids were received and opened on January 20, 2011. Twenty-three bids were received with the lowest base bid of \$551,000 and the highest base bid of \$929,000. After review of Alternate S-1

pricing, district administration decided not to move forward with this alternate. Bids for Alternate S-1 are not included in the listing of bidding contractors and pricing which follows:

Initially, the lowest bidder was RL Sohol Construction Co. with a base bid and Alternate A-2 total cost of \$570,000. On January 24, 2011, District 41 received communication from RL Sohol withdrawing their bid because they failed to include the Franklin entry work cost in their bid. This failure resulted in a misleading bid substantially lower than the other competing bids.

With RL Sohol Construction Co's bid withdrawn, the second lowest bidder of the base bid and alternate A-1 projects is now Lite Construction Inc. with a total bid cost of \$663,237. FGM Architects has verified with Lite Construction all qualifications, references and insurance requirements and recommends Lite Construction Inc. for District 41's 2011 Summer Capital Projects.

The February 21, 2011, Summer Capital Projects Board Report included a section on additional capital expenditures and fees among which included the Hadley Courtyard, Hadley rear door repairs and general district landscaping. Those costs were provided to the Board to communicate the scope of all summer project costs. The following costs relate only to that work which will be completed via this specific bid process:

Total Fees	\$77,000
Erikkson Engineering – Civil work	\$18,000
AMSCO Engineering – Structural work	\$13,000
FGM Architectural – Design work	\$46,000

The proposed timeline for review and approval of the 2011 Summer Capital Projects plan is as follows:

- 1. February 7, 2011, support by the Finance and Facilities Committee (completed)
- 2. February 21, 2011, discussion by the Board of Education (completed)
- 3. March 7, 2011, approval by the Board of Education
- 4. June 12, 2010, construction begins
- 5. August 15, 2010, substantial project completion

#### Recommendation:

.

The administration recommends that the Board of Education approve the bid from Lite Construction Inc. in the amount of \$663,237 for the base bid and Alternate A-2. This work will be included as part of 2011 Summer Capital Projects and the 2011/12 fiscal year budget.

#### Glen Ellyn School District 41 Board Report

Date: March 7, 2011

Title: Hadley Courtyard Renovations

**Contact:** Bob Ciserella – Assistant Superintendent Finance, Facilities & Operations

#### Long-Range Plan Focus:

This recommendation provides alignment with Goal #2, Targets #1 and #2 of the Superintendent's Long-Range Plan:

Target #1 - Five-year financial plan will demonstrate resource stability, long-range planning and fiscal responsibility, and address physical space needs.

Target #2 - The long-range capital development plan will provide a systematic roadmap to ensure that the facility infrastructure meets educational needs.

#### **Discussion:**

The administration, in partnership with district and Hadley building staff, has met on several occasions to create a plan to redevelop the Hadley courtyard. Time has been spent creating an outdoor learning environment that is educationally, environmentally and economically sustainable. Particular attention has been paid to minimize the impact to surrounding classrooms and maximize this space on behalf of students, staff and community stakeholders.

District administration, in conjunction with FGM Architects, has developed a conceptual plan for the courtyard project. It is estimated the space will accommodate up to three classrooms of students and provide for programs in literacy, science, library and math studies. Additionally, it is anticipated this space will be used by the Hadley arts programs.

Included with this report is the concept plan consisting of three separate learning spaces including a small amphitheater. These areas will be constructed with permeable pavers connected by a paved sidewalk to allow students and staff to transition from space to space as necessary. Areas not constructed with permeable pavers will be seeded for grass growth. Every attempt to maintain the existing trees will be made.

Preliminary design concepts have been shared with the Village of Glen Ellyn officials. A final determination of storm water implications has not yet been resolved; however, an estimate for storm water requirements has been included in our preliminary cost estimates.

District administration has created a capital projects timeline identifying potential capital projects through the year 2020. The Hadley courtyard project has been brought forward as a

capital project for the summer of 2011. Estimated all-inclusive costs are set forth in the table below:

Description	Pricing
Hadley courtyard construction	\$150,000
Stormwater allowance	\$15,000
Architectural fees to complete project	\$15,980
Erikkson Engineering Fees	\$12,850
Approximated Hadley Courtyard Costs	\$193,830

#### **Recommendation:**

The administration recommends that the Board of Education approve the concept plans and estimated costs as detailed above for development of the Hadley courtyard.

#### Glen Ellyn School District 41 Board Report

Date:	March 7, 2011
Title:	Benjamin Franklin Lead Abatement Project
Contact:	Bob Ciserella – Assistant Superintendent Finance, Facilities & Operations

#### Long-Range Plan Focus:

This recommendation provides alignment with Goal #2, Targets #1 and #2 of the Superintendent's Long-Range Plan:

Target #1 - Five-year financial plan will demonstrate resource stability, long-range planning and fiscal responsibility, and address physical space needs.

Target #2 - The long-range capital development plan will provide a systematic roadmap to ensure that the facility infrastructure meets educational needs.

#### **Discussion:**

District administration created a capital projects timeline identifying potential capital projects through the year 2020. The list was compiled through the collaboration of building administrators and their custodial services, buildings and grounds personnel, Site Committee recommendations of the Master Facility Review Team, FGM Architects and other district personnel. The capital projects timeline incorporates the needs of each building including, but not limited to, roofing and parking lot assessments, painting and age and obsolescence schedules, heating, air conditioning and vehicle replacement. As the District begins planning for next fiscal year, all outstanding projects, including those recommended in the Site Committee reports, are reviewed and prioritized and may or may not be recommended for completion. In the event a particular project is not recommended for completion, it is then moved back to the master timeline for review in future years.

On February 7, 2011, the District 41 Finance Committee supported the administrative recommendation for 2011 summer capital projects. As part of this recommendation, the administration provided an estimate of \$20,000 for the lead abatement project associated with the replacement of the historical entranceway to Benjamin Franklin School. Bids were solicited and on February 15, 2011, thirteen contractors submitted bids for this work. Bidding contractors and pricing are as follows:

Contractor	Bid Amount
Valor Technologies	\$10,945
Bay Remediation	\$11,500
Peak Services	\$12,618
Angel Abatement Corp.	\$13,800
Associated Environmental	\$14,900
Midway Contracting Group	\$16,875
The Luse Companies	\$19,650
DEM Services, Inc.	\$23,400
Universal Asbestos Removal	\$29,000
AMW Environmental	\$33,900
Colfax Corporation	\$45,000

#### "DRAFT UNTIL APPROVED"

#### **Recommendation:**

This information is presented for discussion. The administration will recommend at the March 21, 2011, Board of Education meeting that the Board approve the bid from Valor Technologies, Inc. in the amount of \$10,945. This work will be included as part of 2011 Summer Capital Projects and the 2011/12 fiscal year budget.

Over the past two years, the administration has received numerous calls of concern from Lincoln staff and parent groups regarding excessive noise levels and the condition of the stage in the multipurpose room (MPR). This past fall, sound reduction devices were installed on the walls of the MPR to reduce noise levels.

The other area of concern, the small performance stage, continues to be an issue. The stage itself appears to have been designed and custom built for this particular area. The administration conducted extensive research attempting to find a suitable stage replacement and has found one local firm with the technical expertise and manufacturing capabilities to solve this issue. E.T. Paddock Enterprises, Inc. of Lockport, Illinois, specializes in this type of stage construction. E.T. Paddock has submitted a price of \$20,950 which includes:

- Installation of new power operated stage that meets existing size restrictions
- Wood stage surface
- Safe-stop mechanism to assure safety
- Delivery and installation

#### Recommendation:

This information is presented for discussion. The administration will recommend at the March 21, 2011, Board of Education meeting that the Board approve the bid from E.T. Paddock Enterprises, Inc. in the amount of \$20,950 for construction of a new stage in the multipurpose room at Abraham Lincoln School. This work will be completed during the spring of 2011 and has been included in the 2010/11 fiscal year budget.

Title: Forest Glen Parking Lot Project

**Contact:** Bob Ciserella, Assistant Superintendent – Finance, Facilities and Operations

#### Long-Range Plan Focus:

This recommendation provides for alignment with Goal #2, Targets #1 & #2 of the Superintendent's Long Range Plan.

Five-year plan will demonstrate resource stability, long-range planning and fiscal responsibility, and address physical space needs.

#### Discussion:

Capital projects are presented and approved by the Board of Education on an annual basis. Earlier this year, a number of summer 2011 capital projects were presented to the Board by the administration. The southeast portion of the Forest Glen property was included in this discussion as a means of increasing parking space.

The Village of Glen Ellyn and their consulting engineers have determined that the Forest Glen property has sufficient existing underground detention to complete this project without installation of additional stormwater detention. The Village's recommendation is that the District utilizes permeable pavers in the expansion of the existing parking lot. In addition, the District has received permission from the Village to install an 8" PVC pipe to tie-in to the existing storm sewer located under the Forest Glen parking lot.

Included with this report is a letter from the Village of Glen Ellyn consulting engineers, A. McGurr, Ltd., P.C., confirming that the documents submitted by the District meet the stormwater requirements as established by the Village. Also included for review is an estimated cost breakdown of the Forest Glen parking lot project as prepared by District engineers, Eriksson Engineering Associates, Ltd.

#### **Recommendation:**

This information is presented for discussion. The administration will recommend at the March 7, 2011, Board of Education meeting that the Board approves the concept of the Forest Glen parking lot expansion project and grants permission to solicit bids for completion of the project.

Dear Mr. Kvapil:

We have received and reviewed the following submittals for this project:

- DuPage County Stormwater Management Permit Application dated 17 February 2011 (Five white • copies)
- DuPage County Stormwater Management Report Project Overview dated 14 February 2011 prepared by Eriksson Engineering Associates, Ltd
- · Engineering Plans entitled "Forest Glen School Paving" revised 14 February 2011 prepared by Eriksson Engineering Associates, Ltd.

We previously reviewed:

Stormwater Management Letter Report dated 5 January 2011 prepared by Eriksson Engineering Associates, Ltd

We find that these documents appear to meet the requirements of the Village of Glen Ellyn.

#### This review is for stormwater management purposes only.

The Owner and his Engineer are not relieved of any responsibility of the correctness of the field conditions and design of project improvements because of our review of the Plan. Our review did not include regulation requirements (other than stormwater regulations), tree preservation requirements, field verification of existing conditions, elevations, grade, and/or topography as shown on the plans, and we disclaim responsibility for any errors or omissions.

If you have any questions, please call our office.

Sincerely, A.McGURR, Ltd., P.C. de
