Board Meeting Summary

Board Meeting Summary for Monday, November 6

The Board of Education provides a "Board Meeting Summary" after each Board meeting. The summary includes a brief description of the main topics and action items. These summaries are not meant to replace minutes. The minutes for each meeting are approved and posted after the next regularly scheduled meeting. We hope these summaries provide some basic information and context around the reports, presentations and action items. For the full packet of information including presentations and reports, [Click Here](#).

Meetings are video streamed live online and the videos are archived on the District website, [Click Here](#). Please note the time markers throughout the document below for your convenience.
