Re: 2018 Asbestos Abatement work at:

Glen Ellyn School District #41
Churchill Elementary School
240 Geneva Road
Glen Ellyn, DuPage County, Illinois 60137

**Notification to All Employees including Custodial Staff,
Administrative Staff and General Public**

Glen Ellyn School District #41 is having asbestos containing pipe insulation/pipe insulation fittings removed from various, previously inaccessible plumbing walls, ceilings and chases at Churchill Elementary School located at 240 Geneva Road, Glen Ellyn, Illinois 60137. This work will occur between the approximate dates of June 18, 2018 and June 26, 2018. A copy of this "Notification Letter" will be given to/posted for view for building occupants by The District in accordance with 77 Illinois Administrative Code 855.

Asbestos containing materials will be removed by Valor Technologies, Inc. (Valor) of Bolingbrook, Illinois, an Illinois Department of Public Health (IDPH) licensed asbestos abatement contractor. The project will be supervised by a licensed Asbestos Project Manager/Air Sampling Professional who will be on site during all asbestos abatement contractor activities. This Project Manager is employed by an independent environmental consulting firm, United Analytical Services, Inc. (UAS), of Downers Grove, Illinois.

Sincerely yours,
