### **Administrative Procedure - Special Education Procedures Assuring the Implementation of Comprehensive Programming for Children with Disabilities**

In its continuing commitment to help school districts and special education cooperatives comply with ISBE requirements for procedure, the special education committee of the Ill. Council of School Attorneys (ICSA) prepared model special education procedures. ISBE rules at 23 Ill.Admin.Code Part 226 contain the requirements for special education procedures that must be adopted by each school district and cooperative entity. The IASB/ICSA model procedures are approximately 90 pages and are available on the IASB website: <http://iasb.com/law/icsaspeced.cfm>.
